#### AMALIY TOPSHIRIQ

1. Qidiruv tizimi yordamida bugungi kunda reytingi yuqori bo'lgan MOOC platformalarini izlab toping (kalit so'z: Top MOOC, Popular MOOC yoki Best MOOC).
2. MOOC platformalarining (**Coursera, Udemy, EdX, Khan Academy, Udacity, Лекториум**) rasmiy saytiga kirib, ular haqida ma'lumot to'plang.
3. **Coursera, Udemy, EdX, Khan Academy, Udacity, Лекториум** platformalari va uning kurslari bilan tanishib chiqing. O'zingizni qiziqtirgan biror kursning tarkibi bilan tanishib chiqing (nomi, qaysi ta'lim muassasasi tomonidan taqdim etilganligi, ta'lim beruvchi o'qituvchilari, maqsadi, davomiyligi, materiallari).
4. SWOT tahlil usuli yordamida MOOC platformalarinining kuchli, kuchsiz, afzallik va kamchilik jihatlarini yozing.
5. Olgan natijalaringiz asosida taqdimot tayyorlang va uni namoyish qiling.
6. **Udacity**(udacity.com) platformasida ro'yxatdan o'tib, **Programs** menyusidagi **Programming and development** bo'limidan **Front End Web Developer** kursi bilan tanishib chiqing va undan tahsil oling.

The screenshot shows the Udacity homepage. At the top, there's a navigation bar with links for 'Programs', 'Careers', 'For Enterprise', and 'Sign In', along with a 'GET STARTED' button. Below the navigation, there's a large banner for 'Bootcamp Quality at 1/10 of the Cost'. The banner claims that Udacity is the world's fastest, most efficient way to master what companies want, with 100% online, part-time & self-paced learning. It features a 'LEARN MORE' button and logos for Google, AWS, AT&T, IBM, and Intel. To the right of the banner, there are sections for 'PROGRAMMING AND DEVELOPMENT', 'ARTIFICIAL INTELLIGENCE', 'CLOUD COMPUTING', 'DATA SCIENCE', 'BUSINESS', 'AUTONOMOUS SYSTEMS', and 'CAREER'. On the far right, there's a section for 'NANODEGREE PROGRAMS' with links to 'Introduction to Cybersecurity', 'Intermediate JavaScript', 'Java Web Developer', 'Introduction to Programming', 'iOS Developer', 'Front End Web Developer', 'Full Stack Front End Web Developer', and 'React'.
